BENEFITS OF UPGRADING

-  Mitigate the increased vulnerability of older PCs.
-  Protect teams and empower your business.
-  Stay competitive and better control costs.
-  Enhance efficiency with optimized deployment and manageability.

With Acer TravelMate Copilot+ PCs powered by Intel® Core™ Ultra processors and Intel vPro®, you get exceptional protection, performance and speed you need to succeed.

Organizations that refreshed and upgraded to Windows 11 Pro reported:

When choosing AI PCs with Microsoft Copilot, the AI-powered features help get you organized in a snap while delivering superior performance:

¹ Windows 11 Survey Report, Techaisle 2024. ² What Can Copilot's Earliest Users Teach Us? Work Trend Index, 2023.

³ Total Economic Impact of Windows 11 Pro Devices, Forrester Consulting, December 2022.

THIS IS ACERTAINTY

Powered by Intel® Core™ Ultra processors and Intel vPro®, the secured-core Acer TravelMate Copilot+ PCs with Windows 11 Pro elevate work, efficiency, and innovation. Create compelling content, solve problems faster and enjoy enterprise-level data security, privacy and compliance.

Discover the three pillars that define the Acer TravelMate Copilot+ PC experience:

Performance: Unleash powerful AI capabilities

Productivity: Collaborate and create with ease

Security: Stay protected with built-in, enterprise-grade safeguards

THE CERTAINTY OF PERFORMANCE

The new era of the Acer TravelMate Copilot+ PC is powered by **Intel® Core™ Ultra Processors (Series 2) and Intel vPro®** to run high-compute AI tools with lower power consumption, an all-day battery life⁴, greater connectivity, and stronger security.

2.7x

More battery life.⁵

20%

Faster productivity performance.⁶

⁴ Battery life varies based on settings, usage, device and other factors. ⁵ Welcome to the Copilot+ PC Generation, Signal65 2024. ⁶ As measured by UL Procyon Office Productivity Benchmark on an Intel Core Ultra 7 processor 268V vs. an Intel Core i7-1280P processor. Individual system results may vary as power and performance are affected by use, configuration, and other factors. Details at [intel.com/performanceindex](https://www.intel.com/performanceindex).

THE CERTAINTY OF PRODUCTIVITY

Focus on what matters and collaborate with confidence. Acer TravelMate Copilot+ PCs deliver incredible features like **Acer PurifiedView 2.0**, which enhances video calls with AI-driven framing and background blur; **Acer PurifiedVoice 2.0**, which reduces ambient noise for clearer audio; Acer Assist, which provides smart device management optimization tools; and **Acer User Sensing 2.0**, which boosts security and power efficiency with presence detection; all of which are optimized to maximize efficiency.

50%

Faster completion of workloads.⁷

47%

Faster AI performance.⁸

58%

Faster than other AI PCs.⁹

⁷ Compared to Windows 10 devices. Improve your day-to-day experience with Windows 11 Pro laptops, Principled Technologies, February 2023. ⁸ Than MacBook Air with M3, Based on Procyon AI benchmark. ⁹ Than MacBook Air M3. Based on Cinebench 24 Multi-core benchmark.

THE CERTAINTY OF SECURITY

Hardware-grade, turnkey security helps defend your business against cyberthreats. The out-of-the-box multi-layer protection from secured-core Acer TravelMate Copilot+ PCs for business include AI-powered threat detection, advanced encryption, and malware protection thanks to **Intel® Core™ Ultra Processors with Intel vPro® and Windows 11 Pro.**

2.8x

Fewer incidents of identity theft.¹⁰

70%

Reduction in attack surfaces with Intel Hardware Shield.¹¹

¹⁰ Windows 11 Survey Report, Techaisle, 2022. ¹¹ Intel vPro 13th Gen Attack Surface Study, IOActive, 2023.

UNLEASH, UNLOCK, UPLEVEL

Harness the power of AI with one click of the Copilot key.¹²

LIVE CAPTIONS

Turn dialogue in meetings or movies into subtitles, with real-time speech translation of more than 40+ languages into English, and 25+ languages into simplified Chinese.¹³

RECALL

Simply search, find and retrieve the content you've seen.¹⁴

WINDOWS STUDIO EFFECTS

Improve videoconferencing and system performance with AI-enhanced features including automatic framing, natural looking eye contact, and intelligent noise suppression.¹⁵

¹² Copilot+ PC experiences are coming. Live Captions requires free updates available starting later this year. Timing varies by device and region. Recall is coming soon through a post-launch Windows Update. Optimized for select languages (English, Chinese (Simplified), French, German, Japanese, and Spanish). Content-based and storage limitations apply. ¹³ Live Captions with translation for video and audio subtitles into English from 40+ languages available now on Copilot+ PCs with Snapdragon® X Series processors and on other devices starting early 2025. Translation from 27 languages into Chinese (Simplified) coming later this year. ¹⁴ Recall (preview) is rolling out to European Economic Area later in 2025. Optimized for select languages (English, Chinese (Simplified), French, German, Japanese, and Spanish). Content-based and storage limitations apply. Requires Windows Hello Enhanced Sign-in Security. Enterprise lic ense required for some policy-enabled management controls. ¹⁵ Available Windows Studio Effects varies by device. Requires built-in camera.

ACCELERATE THE CERTAINTY OF SUCCESS

Acer TravelMate Copilot+ PC

Work smarter and faster by unlocking the full suite of Windows 11 AI advantages. Ensure your fleet of devices is secure, supported, and up-to-date by moving to the Acer TravelMate Copilot+ PCs powered by Intel® Core™ Ultra processors and Intel vPro® as support for Windows 10 ends.

Check out the latest offers and get started now. Optimize device management and reap all the benefits of performance, productivity and security that Acer for Business provides.
